Motion:

Move to modify the Governor's recommendations as follows:

> 1. Delete the repeal of the Land Information Board and the modifications to the Wisconsin Land Council and retain the current powers, duties and composition of these two entities;

> 2. Extend the current law September 1, 2003, sunset date for the Land Information Board and the Wisconsin Land Council until September 1, 2007;

> 3. Require the Land Information Board to establish rules governing the creation and maintenance of the Wisconsin Land Information System and require the Department of Administration to contract for the operation of this system;

4. Retain the Governor's recommendations with respect to the treatment of fees collected by county registers of deeds for recording or filing the first page of a document [the Governor would delete the scheduled September 1, 2003, \$2 decrease in that portion of the fee that is collected and remitted to the state and would also provide for a permanent \$1 increase in the total amount of the fee, which would be retained by the county] but newly stipulate that counties be required to use this additional \$1 amount retained by them to develop and maintain computerized indexing of their land information records related to housing, including the housing and land use element of a comprehensive plan, in a manner that would allow for greater public access via the Internet;

> 5. Modify the Governor's recommendation for the annual funding allocations provided from the \$2 fee collected by counties and remitted to the state, as indicated in the following table:

**Revised Annual Allocation of Land Information Funding
(PR Funding)**

<u>Funding Purpose</u>	<u>Governor's Recommendation</u>	<u>Allocation Under This Motion</u>

^bIncluded under a separate PR continuing Land Information Aids to Counties appropriation.

^cIncluded under a separate PR annual Land Information Board general program operations appropriation.

^dIncluded under a separate PR annual Soil Surveys and Mapping appropriation.

6. Jeff--

I think this will be the last additional fax of the day. (Let's hope so, in any case!)

I am sending a copy of the B-6 form that we have filed w DOA with respect to creations/amendments to the various DOA land information appropriations. I am sending these to you so we can be consistent between the draft and the ch. 20 schedule in titling of the appropriations. [See first six lines.]

A couple of things to note--

The Governor's treatment of 20.505(1)(lu) should be retained.

In our revised title for 505(1)(le), the appropriation purpose under current law should be modified to pick up the Governor's language "and for reviews of proposed municipal incorporations and annexations."

The appropriation purpose for the restored 505(1)(ij) aids to counties appn should continue to have the "all moneys not appropriated under pars. (ic) and (ik)" treatment.
